Desa ParkCity is the true embodiment of a perfect environment ideally built to answer the needs of Family, Neighbourhood, Community, Connectivity and Convenience.

Striving to create spaces for life since over 2 decades ago, Desa ParkCity has been delivering outstanding homes in what is popularly known as the most liveable community in Malaysia.

It now includes a comprehensive selection of amenities and facilities, which include a medical centre, an international school, a sportscentre, a clubhouse, neighbourhood mall, dining and entertainment spots, all connected by pedestrian walkways and bicycle paths amidst a lush and verdant landscape of carefully crafted parks and bracing lakes.

DESA PARKCITY THE LIFESTYLE

THE PARKCITY CLUB

The ParkCity Club, a work of modern tropical architecture with numerous facilities such as Olympic-sized pool, gym, tennis and badminton courts, kid's games room, floating pavilion and more.

PARKCITY MEDICAL CENTRE

Operated by Ramsay Sime Darby Health Care, one of Malaysia's most trusted healthcare brands, ParkCity Medical Centre is a 300-bed private hospital that offers full inpatient and outpatient medical and surgical services, advanced diagnostics and 24-hour emergency services.

THE SPORTSCENTER

The SportsCenter is home to a soccer field and 2 basketball courts. Every year, Desa ParkCity organises the Inter-Neighbourhood Soccer and Basketball Tournaments, anticipated events where residents socialise and get closer.

INTERNATIONAL SCHOOL @ PARKCITY (ISP)

ISP is a premier school which provides nursery to A-level curriculum equipped with state-of-the-art amenities, a safe environment and strong individualised student support. It was judged to be an 'Outstanding School' and awarded the International Schools Quality Mark (ISQM) at Gold Level.

THE CENTRAL PARK

The face of Desa ParkCity, The Central Park provides a large communal space for family time, exercising, pet-walking and recreation.

Its wide and looping walkways, manicured lawns, densely treed landscape, children's playground and the picturesque Central Lake are specially designed to form an idyllic getaway.

OTHER PARKS

The East Park and The West Park are connected by jogging tracks extended from The Central Park, providing an intimate green space for the use of adjacent neighbourhoods and visitors.

THE WATERFRONT

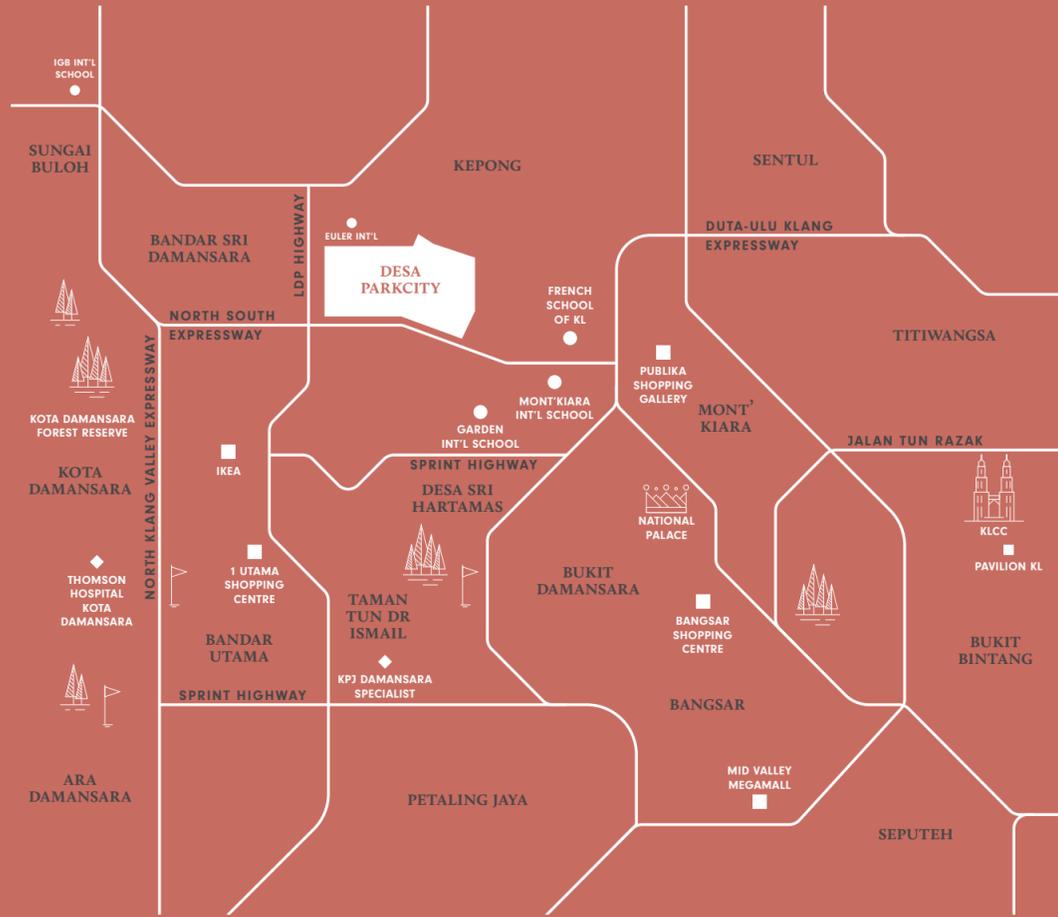

The Waterfront is Desa ParkCity's first neighbourhood mall located beside The Central Park with alfresco areas facing Central Lake. It houses restaurants, bars, banks, beauty salons, clinics, grocery places, and a host of other specialist shops. Its weekly bazaars are a treasure trove of trinkets and knick-knacks.

PLAZA ARKADIA

Open-air, walkable and highly landscaped, Plaza Arkadia is a modern twist of British colonial architecture featuring shops, eateries, offices and SOHOs. Visitors can move effortlessly from shop to shop through a series of interconnected courtyards and sky bridges.

ADJACENT TO THE UPSCALE MONT' KIARA AND SUNGAI BULOH, DESA PARKCITY IS A LUXURIOUS GATED-AND-GUARDED COMMUNITY LINKED BY MAJOR HIGHWAYS SUCH AS DUKE 2, SPRINT EXPRESSWAY, LDP AND THE NKVE.

WITH EASY AND DIRECT ACCESS TO THE KUALA LUMPUR CITY CENTRE, THE AFFLUENT PETALING JAYA, AND THE STYLISH BANGSAR, DESA PARKCITY'S STRATEGIC LOCATION PROMISES AN INCOMPARABLE LIFESTYLE.

STEPS AWAY

DESA PARKCITY THE SURROUNDINGS

Desa ParkCity was developed since the early 2000s in a matured area that covers Bandar Menjalara, Bandar Sri Damansara and parts of Kepong. Due to its strategic location and close proximity to major areas such as Bandar Utama and Bangsar, the township has emerged as one of the highest-valued residential addresses in Greater Kuala Lumpur.

BANDAR UTAMA & TAMAN TUN DR ISMAIL

Located just minutes away from Desa ParkCity, Bandar Utama offers a bonanza of things to do, places to go and treasures to shop for. The neighbouring township of Taman Tun Dr Ismail is also rich with shops featuring traditional crafts and local fares.

BANGSAR

An affluent residential suburb in the outskirts of Kuala Lumpur, it is also one of Klang Valley's most celebrated nightlife districts. Littered with an eclectic mix of establishments such as fine dining restaurants, cafés, bars and nightclubs, it is a hive of activity that has something for everyone.

PETALING JAYA

Malaysia's first planned town consists of many busy commercial, residential and business districts that are conveniently close to the city centre.

MONT' KIARA

Sitting within the capital, Mont' Kiara's high concentration of expatriate dwellers has formed a gleaming community of luxury condominiums, international schools and lavish shopping complexes.

In the foreground, there is a large, winding lake with a small island in the center. To the left of the lake, there is a swimming pool with colorful slides and a playground area. The surrounding area is lush with green trees and vegetation. In the background, a cityscape is visible under a clear blue sky with a bright sun. The overall scene is bright and scenic, highlighting the integration of nature and modern architecture.
